Dear Ladies and Gentlemen, dear friends,

I am pleased to inform you today that the great-great-grandson of Richard and Cosima Wagner, Antoine Wagner-Pasquier, the son of the former Bayreuth Festival director Eva Wagner-Pasquier, will make his operatic and musical debut at the Tyrolean Festival in Erl on 14 July 2022.

We can expect the world premiere of his opus "Atem" (see attachment for more details).

This is an exciting production that explores the cinematic possibilities of opera and film and their combination with each other. The content holds many exciting aspects and scenarios in store for us, among other things in the form of looking ahead to the future.

Antoine Wagner-Pasquier has made a name for himself as a writer in relation to Wagner's traces in the Swiss mountains, and has devoted himself professionally to photography in many different ways. This work is his first in the field of opera and film.

I am particularly pleased that his mother, Eva Wagner-Pasquier, whom we all hold in high esteem, will also be present at its premiere in Erl on 14 July 2022.

Yours sincerely
